

**MR. AARON MILLER**

Director of Business Strategy and Operations  
Galois

While Aaron's career started in the accounting field, he has found a passion by working with researchers to support the culture of science and technology. This led to work in creating strategic objectives and organizing programs supporting research, development and entrepreneurial activities.

Aaron joined Galois to support the development of their business strategy and operations for the Dayton, Ohio office. Prior to Galois, Aaron has served in execution and leadership roles for program management, strategic planning, and research operations. Aaron earned his BBA in Accounting from the University of Cincinnati and his Masters of Engineering Management from the University of Dayton.
